

CAOPS OGF 27, Banff, Canada

- Status of the Auditing Guidelines Document [Yoshio Tanaka]
 - Yoshio will update the Auditing Guidelines by end of November to match the latest Classic AP and provide a spreadsheet checklist as a separate document. Alan Sill will help.
 - A revised version was sent to DavidG and Jens on December
- Status of the RPDNC Document [DavidG, Jens Jensen]
 - DavidG and Jens will respond to the public comments and make minor edits as needed to the RPDNC document by end of November.
- Discussion on private key protection [Jens Jensen]
 - Jens and Scott will draft a document on private key protection by the next OGF.
- Discussion of difference between SLCS EECs issued to portals versus proxy certificates issued to portals.

OGF28: Munich, Germany March 15-19, 2010 (<http://www.ogf.org/OGF28/>)
