

# DigiCert

September 9, 2014

YOUR SUCCESS IS BUILT ON TRUST®

# Overview

## *DigiCert is the perfect partner*

<b>Customer Focused</b>	DigiCert is globally-recognized and award-winning CA focused on its providing unmatched customer support, validation services, and innovative products
<b>Industry Leader</b>	DigiCert is a champion for its customers in PKI, leading the way in the CAB Forum, IETF, ICANN, WFA, DirectTrust, IGTF, and other standards bodies
<b>Flexibility with Complexity</b>	DigiCert's tools are designed to meet our customer's needs, whatever they may be without detracting from our primary goal: delivering high assurance certificates at a fraction of the time required by competitors.
<b>Innovative</b>	DigiCert is leading the way in advancing PKI, including development of user-friendly tools and an early adoption of CT, CAA, and other improvements
